Dan/David,

On the EOC call this morning you indicated your intention to check on the status of the Region 9 and Region 8 “final” QASPs. Could you let us know if your respective QASPs are finalized and forward a copy of the final QASP to the HQ EOC. Thanks.

Althea

IC Folks,

Please let us know status on your handling of the request for release of the sampling plans.

EOC PIO would like to coordinate web-posting with any release of the plans.

Thanks.

Althea,

EOC conferred internally and any sampling plans considered final are releasable.
From the call it sounds like that applies to R8 and R9.

PIO recommends best way to release is through posting on the EPA GKM website.

Could you provide us with what you consider to be the final sampling plans?

Also, FYI, sent Reggie a note on the key items you mentioned wanting to raise on the 3 PM call. And suggested he call you in advance if he can to touch base.

Thanks,

Eugene
